

Your Guide

Aussie Fish Estuary Adventures want's you the angler to have an experience that you won't forget.

Your guide and tutor Stuart Hindson has over 20 years experience fishing these South Coast waters and will ensure your day on the water is an unforgettable one.

His experience and expertise with both soft plastics and hard bodied lures has led many anglers to milestones that yet hadn't been reached before now.

Stuart is a regular contributor to some of the nation's leading fishing magazines and has been seen on various fishing DVD's and TV programs.
